## Fall Retreat

Nine of our students attended our Fall Retreat. Our retreat was with the Campus Ministries of the Lynchburg and Lexington areas. Led by Fr. Chris Masla our students spent part of their weekend in fellowship with one another, while contemplating where God has been with them on their faith journeys. Fr. Chris showed the students many different ways to see God working in their lives and how they can always be on the lookout. As one student said about the weekend, “my favorite was when the priest was talking about his own retreats.”

I am Fr. Chris Hess. I moved to Farmville last summer from Bristol, VA, where I spent five years as the pastor of a church and school. This is my third assignment as a pastor. I am excited to be here in Farmville to take on new challenges. I am especially excited to be working with campus ministry. I'm looking forward to working with the students to grow this ministry.

I grew up on the coast in Virginia Beach. I was ordained in 2012 and I am a second career priest. Prior to entering seminary I was working as a paramedic and firefighter. I spent a combined seventeen years working in fire/EMS. I bring a lot of unique experiences to my ministry.

I also love spending time outdoors. I do a lot of hiking and when I can, camping. I also spend a lot of time fishing and kayaking. My best friend is a Bluetick hound named Skillet who loves to join me on some of these adventures. I would love to find a way to incorporate some of this into campus ministry, since there are so many opportunities for these activities in this area.
